Seeding a vision for our community

The Hidden Garden Steps is a dynamic community project in partnership with the San Francisco Parks Trust and the Department of Public Works Street Parks Program to create mosaic steps, a public garden, and a wall mural located on the 16th Avenue steps between Kirkham and Lawton. The project is inspired by the magnificent Moraga Mosaic Steps.

Artists Colette Crutcher and Aileen Barr have created a lush garden design where butterflies flutter, salamanders slither, and Indian Paint Brush sway in the breeze.

Set down roots in our community by purchasing a tile or multi-tile element that will beautify these aging steps.

Become a part of our perennial landscape by purchasing a single tile or a multi-tile element.

Single Tiles

Choose a design, from three theme areas, and then personalize it with up to 40 characters.

Air \$1,000 (maximum of 40 characters)
Flowers, leaves, lizards, frogs

Earth \$350 (maximum of 28 characters)
Flowers, leaves, footprints, snails, bugs

Flora \$150 (maximum of 20 characters)
Flower, leaf, seeds, bugs

Multi-Tile Elements

Team up with friends, family, and neighbors in our community to purchase a vibrant multi-tile element such as an airborne dragonfly or an eye-popping Diablo Fairy Lantern that will cascade the length of several steps. Multi-tiled elements are priced from \$5,000-\$15,000.
